

# ANURAG DAS

WEB DEVELOPER , STUDENT COORDINATOR

+91-7063291720

anurag.das.crhs@gmail.com

Bhubaneswar , Odisha

## PROFILE ME

A student of computer science engineering, honest and committed to being a computer science engineering professional. Currently have few experiences as a frontend web developer and looking for role where I can grow and learn from more experienced team members while drawing on projects. I am also a state level Taekwondo champion

## EXPERIENCE

### LEARN FOR CAUSE

2019-2022 / Present

I worked as a front -end web developer at Learn For Cause . Here in this project I worked in a full responsive academic resources page for collage students where any one can get the notes of their collages uploaded by their teacher.

### IBM PYTHON PROJECT

2019-2022 / Present

I also worked in a IBM project in which we calculated the GDP of India and by using the python visualization tools we plot our outcome in a graph.

### LEARN FOR CAUSE

2019-2022 / Present

I worked as a student coordinator at Learn for Cause.

## EDUCATION

### B TECH
